

At EASE

These are the wholesale prices that are available while in stock. At Ease tries to maintain all products but supply shortages may delay your order. I have other products available from time to time that will be offered as wholesale products when they are in stock. These items will not be on the list until I can make sure that I have a steady supply coming in or that I know I am going to keep them in stock. Ask about our hemp pellets for livestock, gumdrops, dog treats and bath products.

The wholesale prices are based off of how many items you purchase at a time. You may mix and match any products as long as they are in stock. Shipping is 4% of the total cost added on in the USA. Shipping arrangements can be arranged to ship worldwide.
